The best way to understand God in his three persons is to experience God in his relationships. Our experience of God shows his unity in his "Threeness".

The Holy Trinity is how we describe the relationships **within** God. The classic way of speaking about this is The Father wanted to contemplate himself, so he stepped outside himself, and there was the Son. The Son loved the Father, and the Father loved the Son so much, that the love became the Holy Spirit. The unity is preserved in the sameness, the substance as the Creed puts it, of Father and Son bonded in the unity of the Divine Love who is the Holy Spirit.

The mystery of the Holy Trinity – three, but One – reveals the importance of relationship. The intimate relationship between Father, Son, and Spirit is an essential part of God's identity. From the beginning of time, God has been in relationship. God has never been alone.

Another illustration would be the sun. From it we receive light, heat and radiation. Three distinct aspects, but only one sun.

HOLY LAND CHRISTIAN ART

The Olivewood carving industries has evolved as a cultural tradition of the Christians over many centuries. Many Holy Land Christians in the Bethlehem area alone rely upon income generated from this form of art. Local Catholic artisans carve the items.

The weekend of **June 9th & 10th**, George Qassis from Holy Land Christian Art will be speaking at all the Masses. After the Masses, come to room 1 in the LeBeau Center where you will have a chance to purchase olivewood carvings from wood from the Holy Land.

Your support in their endeavors helps bring about peace and justice in the Holy Land.

FOOD PANTRY

The items requested for the Month of May are **cereal, boxed potatoes and coffee/tea**. Please leave your donations in the back of church. **Thank you.**
